HONOURABLE A. J. HOOKE,
Minister of Municipal Affairs,
Edmonton, Alberta.

SIR:

I have the honour to submit herewith the forty-third Annual Report of the Department of Municipal Affairs for the year 1954.

LEGISLATION

During the year 1955 the following Acts or Amending Acts were placed upon the Statutes of the Province, all of which have some bearing on the work of Municipalities or the Department:

The Agricultural Relief Advances Act, Amendment Act.
The Assessment Act, Amendment Act.
The City Act, Amendment Act.
The Communal Property Act, Amendment Act.
The County Act, Amendment Act.
The Educational Tax Arrears Act.
The Home for Aged or Infirm Act, Amendment Act.
The Hospitalization and Treatment Services Act, Amendment Act.
The Hospitals Act, Amendment Act.
The Improvement Districts Stray Animals Act, Amendment Act.
The Mobile Construction Equipment Licensing Act, Amendment Act.
The Municipal Assistance Act, 1953, Amendment Act.
The Municipal Capital Expenditure Loans Act, Amendment Act.
The Municipal Districts Act, 1954, Amendment Act.
The Municipal Hospitals Act, Amendment Act.
The Pipe Line Taxation Act, Amendment Act.
The Public Health Act, Amendment Act.
The School Act, 1952, Amendment Act.
The School Buildings Assistance Act, Amendment Act.
The Seismographic Recording and Drilling Equipment Licensing Act, Amendment Act.
The Tax Recovery Act, Amendment Act.
The Town and Rural Planning Act, 1953, Amendment Act.
The Town and Village Act, 1952, Amendment Act.

The Co-terminous Boundary Commission, instituted by an Order-in-Council dated March 2, 1953 for the purpose of establishing co-terminous boundaries for School Divisions and Municipal Districts, submitted its final report to the Government in December, 1954. As a result of the Commission's recommendations, the boundary revisions commenced by the Government on January 1, 1954, will be practically completed effective January 1, 1955. When this has been accomplished, the 57 Counties and Municipal Districts in existence in 1953 will have become a total of 50 self-governing units of which 36 will be entirely co-terminous and, due to physical and economic reasons, the remainder will consist of 14 Municipal Districts to which have been added for school purposes some Improvement Districts or Special Area lands.

STATISTICAL INFORMATION

The statistical information contained in this report is compiled from financial statements furnished by each City, Town, Village, County and Municipal District. Information regarding Improvement Districts is taken from Departmental records and for Special Areas from the records of the Special Areas Board. All information is for the calendar year ending December 31st, 1954.

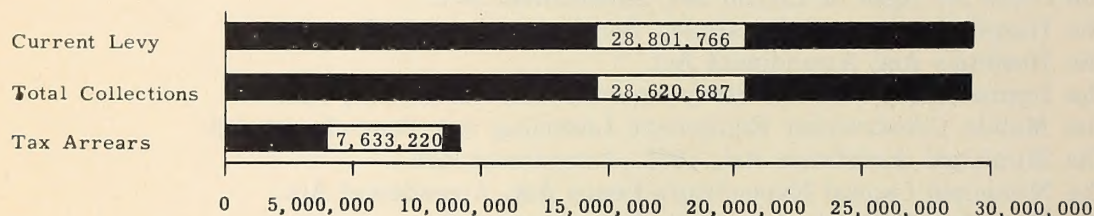

Exact comparison of statistics in this report with years prior to 1951 is not possible in all respects due to a revision of some of the items contained under the various headings as recommended at a Dominion-Provincial Conference on Municipal Statistics. The changes are mainly in the general sections of the Revenue and Expenditure Accounts. The formation of Counties and the boundary revisions being implemented through the recommendations of the Co-terminous Boundary Commission will also add to the difficulty of comparison in rural municipalities.

CITIES (7)

Actual census returns from 5 of the 7 cities, established the total population as 443,036 which is an increase of 29,368 over the 1953 figure of 413,668.

Assessment—The growth of the cities is reflected in the assessment which shows an increase for the fourteenth consecutive year. The current assessment of \$477,056,702 is \$103,262,330 greater than the 1953 assessment of \$373,794,372.

Taxation—The total 1954 tax levy of \$28,801,766 is \$4,356,484 more than the 1953 levy of \$24,445,282. Tax collections, excluding discounts, equal \$28,620,687 and are \$3,828,636 greater than the 1953 collections of \$24,792,051. Tax collections compared to the levy are down from 101.4% in 1953 to 99.3% in 1954. Although outstanding taxes have increased from last year's \$7,114,471 to \$7,633,220 at the end of 1954, they are 26.5% of the levy which is a reduction of 2.6% from last year's figure of 29.1%.

General Revenue and Expenditure—A total 1954 expenditure of \$44,222,784 as compared to a total revenue of \$44,151,755 resulted in a net deficit for the year of \$71,029 as compared with last year's net surplus of \$37,686. Both total revenue and total expenditure are some six and one-half million dollars greater than the 1953 figures. The increase in tax levy of \$4,356,484 and the increase in grants of \$1,564,791 account for most of the increase in revenue. This increase in revenue was used mainly for increases in expenditures of \$1,519,030 for health, \$1,202,446 for education and \$1,774,370 for debt charges.

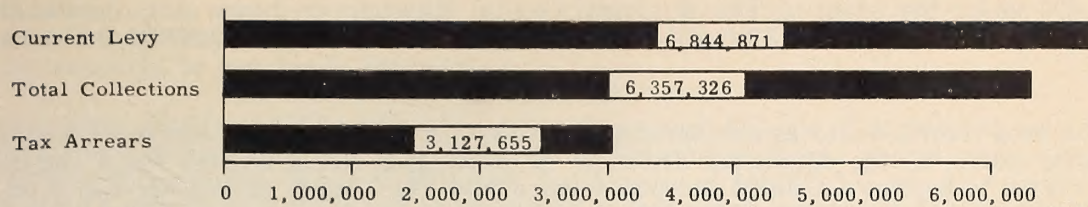

Debenture Debt—During the Provincial fiscal year the cities received \$25,582,900 in loans from the Provincial Government under the terms of The Municipal Capital Expenditure Loans Act. This resulted in a total outstanding debenture debt at the end of 1954 of \$114,823,052 as compared to last year's total outstanding debenture debt of \$92,657,030.

TOWNS (74)

Effective January 19, 1954, the Village of Calmar was elevated to the status of a town and as the Town of Lloydminster reports directly to the Province of Saskatchewan, this report deals with 73 towns as compared to 72 last year.

Assessment—The substantial rate of increase in assessment reported over the past few years has been maintained and total assessments have increased \$13,673,565, from \$116,810,345 in 1953 to \$130,483,910 in 1954.

Taxation—The total tax levy of \$6,844,871 is an increase of \$896,873 over the 1953 levy of \$5,947,998. Tax collections, excluding discounts, of \$6,357,326 are 92.9% of the levy and outstanding taxes at the end of the year are \$3,127,655 which is equal to 45.6% of the levy.

General Revenue and Expenditure—A total 1954 revenue of \$9,694,998 less a total expenditure of \$9,339,052 left a current net surplus of \$355,946. The increase of \$1,342,761 in total revenue over the 1953 figure of \$8,352,237 was derived mainly from an increase of \$896,873 in tax revenue and an increase of \$182,348 in grants and all but some four thousand dollars of the total increase was used for general increases in nearly all items of expenditure. This is the sixth consecutive year in which a surplus has been recorded.

Revenue Fund Assets and Liabilities—Net Bank Balances and Investments of \$2,645,572 less Bank Overdrafts, Temporary Loans and Accounts Payable of \$534,277 left a substantial net cash balance of \$2,111,295 as compared to a net cash balance of \$1,562,750 at the end of 1953. Last year's net to-date surplus of \$2,696,886 has been increased to \$3,333,600 at the end of 1954.

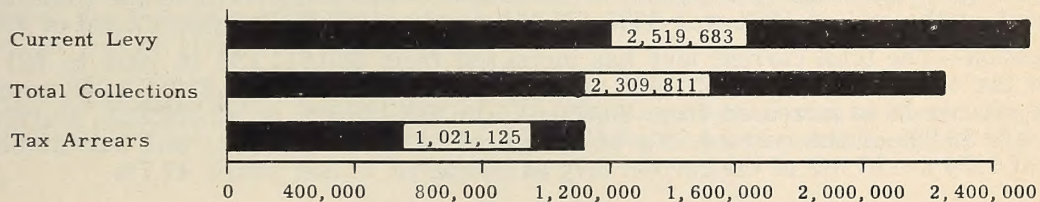

Loans and Debentures—Temporary Loans and Bank Overdrafts totalled \$221,019 as compared to \$214,035 at the end of 1953. The total gross debenture debt as at December 31st, 1954, equalled \$16,585,269. This is an increase of \$3,161,274 over last year's total outstanding debenture debt of \$13,423,995. During the 1954 Provincial fiscal year towns received \$3,239,300 under the terms of The Municipal Capital Expenditure Loans Act.

VILLAGES (143)

This report covers 143 villages in place of the 137 villages covered in last year's report. This is accounted for by the formation of the Villages of Boyle, Cold Lake, Evansburg, Warburg and the Summer Villages of Ghost Lake and Silver Beach, less the Village of Calmar which was elevated to the status of a Town.

Assessment—The total 1954 assessment of \$50,369,442 is \$2,775,536 more than the 1953 total assessment of \$47,593,906.

Taxation—The total current tax levy is \$2,519,683. Total tax collections of \$2,309,811 are 91.6% of the levy as compared to 94.4% last year. Outstanding taxes at the end of the year of \$1,021,125 are \$141,673 more than the outstanding taxes of \$879,452 at the end of 1953.

General Revenue and Expenditure—The total revenue for the year was \$3,298,080 or \$451,046 more than the 1953 revenue of \$2,847,034. All items of expenditure show general increases and the total expenditure of \$3,164,536 resulted in a net surplus of \$133,544 for the year 1954.

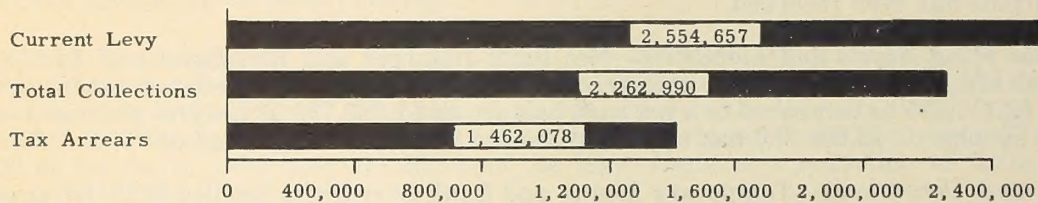

Revenue Fund Assets and Liabilities—The net cash position consisting of Bank Balances and Investments less Bank Overdrafts, Temporary Loans and Accounts Payable equalled \$1,172,162 as compared to \$1,490,232 at the end of 1953. The villages have a net surplus of \$1,508,057 as compared to last year's figure of \$1,308,418.

Loans and Debentures—At the end of 1954 the gross outstanding debenture debt was \$5,392,567 as compared to \$3,430,055 at the end of 1953. During the year the villages received \$1,734,507 under the terms of The Municipal Capital Expenditure Loans Act. Outstanding Temporary Loans as at December 31st, 1954, were \$41,912 as compared to \$52,306 at the end of 1953.

COUNTIES (5)

The area recommended as a co-terminous unit by the Co-terminous Boundary Commission and comprised parts of the Municipal Districts of Burlington No. 2, Warner No. 4 and Sugar City No. 5 elected to become a County and was formed into The County of Warner No. 5 on January 1st, 1954.

The County Act, 1950, provides an alternative form of rural self-government that is voluntary and to be retained, must after four years from the date of formation receive by vote the taxpayers' approval. The formation of one or two new Counties a year makes statistical comparison with previous years impracticable at this time.

Revenue Fund Assets and Liabilities—The counties report a net cash surplus of \$52,598 as compared to the net cash deficit of \$242,321 reported at the end of 1953. Total assets of \$2,263,091 less total liabilities of \$719,488 leaves a net to-date surplus of \$1,543,603.

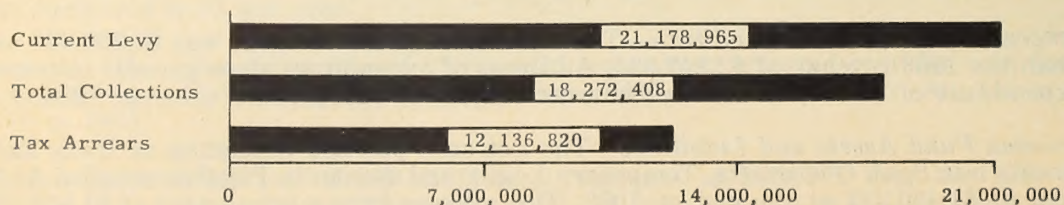

Debentures—Outstanding debentures have increased from \$1,558,504 at the end of 1953 to \$1,841,748 at the end of 1954.

MUNICIPAL DISTRICTS (48)

The acceptance by the Government of the Co-terminous Boundary Commission's First Interim Report resulted in the re-organization on January 1st, 1954 of that part of the Province lying south of Calgary and the Bow River. The twelve Municipal Districts of Burlington, No. 2, Warner, No. 4, Sugar City No. 5, Cochrane, No. 6, Pincher Creek, No. 9, Bow Island, No. 13, Eureka, No. 14, Bright, No. 16, Barons, No. 25, Argyle, No. 26, Highwood, No. 31 and Turner Valley, No. 32, became the 8 new Municipal Districts of Forty Mile, No. 2, Cardston, No. 6, Pincher Creek, No. 9, Taber, No. 14, Lethbridge, No. 25, Willow Creek, No. 26, Foothills, No. 31 and The County of Warner, No. 5. This left a total of 48 Municipal Districts in place of the 53 existing in 1953.

Assessment—Although \$9,608,060 in assessment was transferred to the counties, the total assessment at the end of 1954 was \$388,477,364 as compared to last year's total of \$384,259,656.

Taxation—The total current levy has increased from \$20,611,136 in 1953 to \$21,178,965 in 1954 but tax collections are \$18,272,408 as compared with last year's \$19,473,268 with the result that tax arrears have increased from \$9,830,017 to \$12,136,820 or \$2,306,803. Current tax collections are 86.3% of the current levy as compared to 94.5% last year and outstanding taxes at the end of 1954 are 57.3% of the current levy as compared to last year's 47.7%.

General Revenue and Expenditure—The increased tax levy and increased Grants account for nearly all the increase over last year of \$1,323,076 in total revenue. This increase in total revenue was expended mainly for an increase of \$617, 117 for Public Works and \$681,667 for Education. A total 1954 revenue of \$29,140,223 less total Expenditures of \$28,757,703 left a net surplus of \$382,520 as compared to last year's \$205,029.

Revenue Fund Assets and Liabilities—Last year's net cash balance of \$2,664,442, made up of Bank Balances and Investments less Bank Overdrafts, Temporary Loans and Accounts Payable, has been reduced to a net cash deficit of \$256,718. Total assets of \$18,671,787 less total liabilities of \$6,532,946 leave a surplus of \$12,138,841 as compared to last year's surplus of \$12,127,666.

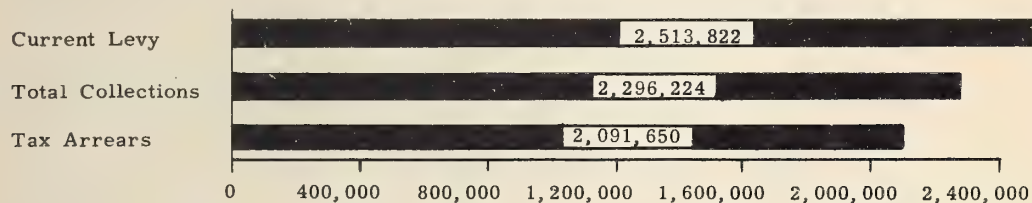

Debenture Debt—During the year two Municipal Districts received a total of \$140,000 under the terms of The Municipal Capital Expenditure Loans Act. The Municipal District of Strathcona, No. 83 received \$100,000 for an addition to its water supply system and The Municipal District of Fairview, No. 136 received \$33,600 for a machine shop and \$6,400 for the purchase of an airport. Fairview becomes the second Municipal District to have any debenture debt since the year 1939. The total outstanding Debenture Debt is now \$216,133 as compared to \$79,000 in 1953.

IMPROVEMENT DISTRICTS (53)

In the establishment of co-terminous units, all of Improvement District No. 23 was absorbed by The Municipal District of Taber, No. 14 and we now have a total of 53 Improvement Districts in place of the previous 54.

Assessment—The total assessment has decreased from the 1953 total of \$64,226,544 to a total of \$57,714,052.

Taxation—The current tax levy has also decreased from the 1953 figure of \$2,521,567 to \$2,513,822 and outstanding taxes at the end of 1954 equalled \$2,091,650 as compared to the 1953 figure of \$1,920,508. Tax collections of \$2,296,224 are 91.3% of the levy as compared to 94.3% in 1953.

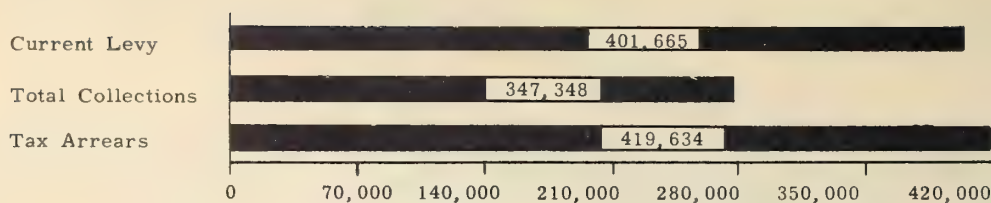

Receipts and Payments—Total receipts of \$3,180,136 less total expenditures of \$3,265,762 resulted in a deficit for the year of \$85,625 and reduced last year's to-date surplus of \$2,041,430 to \$1,955,805 at the end of 1954.

Assets and Liabilities—Total assets including the Improvement Districts Trust Account of \$1,955,805 equal \$4,059,211. Total liabilities are \$112,621 leaving a to-date surplus of \$3,946,590.

SPECIAL AREAS (2)

The area designated as Special Area No. 4 has been completely merged into the County of Vulcan, No. 2, The Municipal District of Taber, No. 14 and The Municipal District of Lethbridge, No. 25. This leaves two Special Areas consisting of Municipal and Improvement Districts dissolved during the drought period of the 1930's and formed into Special Areas under The Special Areas Act. Since 1948 this Department has been responsible for the administration of these Areas through a Special Areas Board with offices at Consort, Hanna, Oyen and Youngstown.

A total revenue of \$1,110,488 less a total expenditure of \$1,412,676 resulted in a net deficit for the year 1954 of \$302,188.

REPORT OF THE SPECIAL AREAS BOARD

The year 1954 evidenced a slight recession insofar as the economic welfare of the residents of these areas was concerned. This of course, was a direct result of the weather conditions which prevailed during the year in question. The spring season proved quite favorable. Crops went in under good conditions and moisture was ample to assure good germination and early growth. The Areas were however, over the greater part, visited by drought conditions during the last half of June and all of the month of July, and crops suffered accordingly. There were very few townships in the Special Areas which, due to low yields, did not qualify for participation in crop failure bonuses as distributed under the Prairie Farm Assistance Act.

The month of August proved, insofar as weather conditions were concerned, a direct contrast to those which prevailed in the early summer. The precipitation experienced in August and the early part of September was excessive and away above normal. This resulted in poor harvest conditions and low grades for all types of grain. The hay harvest suffered excessively as a result of fall moisture conditions. A great amount of hay went uncut and a large portion of that harvested was lost due to deterioration in the bale and stack. The areas were fortunate in that we experienced a comparatively mild and open winter and feed shortages did not prove a disaster.

The grass coverage in pastures was for the most part good and water supplies held up quite well. As a result of the excessive precipitation in the fall all dams, dugouts, etc., went into the winter with full capacity attained. There was slight damage from pests in the year under review but there was considerable loss from hail, and rust also took its toll.

Marketing of grain continued to be somewhat of a problem and we anticipate some difficulty in effecting collection of crop shares due the Department from this and previous years' harvests.

There was no loss of any consequence from prairie fires although the hazard of same was constant throughout most of the year.

The year 1954 saw a slight reduction in the price of cattle, but the number of head of stock in these areas remains fairly static. The class of stock being raised continues to improve and is now of a high grade throughout most of the areas. This can be attributed in large part to the work of the District Agriculturists and the activity in 4H or Junior Club work which continues to increase, as does the interest in grain clubs.

The yield of grass seed was light and we can, therefore, expect to be required to go afield in obtaining sufficient seed to meet the demand for the coming year. The regrassing of abandoned lands goes on steadily but there is still much of this to be accomplished. The policy of providing this seed to the resident on a 50-50 basis is still being followed.

The Public Health Nurses, of whom we have three, continue their good work and their presence in the communities served is proving a decided asset and is widely appreciated.

While there were no projects of a major proportion undertaken this year in connection with water conservation, activity in this regard continues, as evidenced by many stock watering dams and dugouts constructed during the year 1954. Water from storage dams in the areas was used for irrigation purposes a little more intensively this year than in previous years. The results obtained from this irrigation practice were quite satisfactory. Grain yields exceeded that from dry land farming by 20 bushels to the acre and alfalfa crops from irrigated land were double those from dry land.

Our campaign against the infestation of these areas by the Norway Rat has become more aggressive during the year. We now employ a Pest Control Officer whose full time is devoted to the extermination of rats in the Special Areas. The results are encouraging and while complete eradication has not been accomplished, there is no evidence of their progress farther westward. Recommended poisons, supplied by the Department of Agriculture are available at our offices in Oyen, Consort, Youngstown and Hanna. The Department of Agriculture has kept personnel in the affected area throughout the past year.

The local rancher and farmer is receiving assistance from this office and the Department of Agriculture in the control of coyotes. Poisons in the form of cyanide guns and strychnine pellets supplied by the Department of Agriculture are distributed by our local offices. Arrangements were made this year with the Department of Agriculture for fairly extensive use of 1080 bait in the district adjacent to the Red Deer River but we will have to await the coming of spring before determining how effective this type of poison has been.

Our Community pastures received fairly good patronage this past year. The grass coverage was good and the water supply ample. There were in excess of 4700 head of stock entered in all pastures for which dues in excess of \$17,000 were paid.

Our road program was hindered to some extent as a result of excessive precipitation in the fall, but considerable new construction was accomplished, part of which is represented by contract work. Our overall expenditure in this regard was considerably reduced from that of the previous year and circumstances would seem to necessitate a further reduction in the coming year. While not all required market roads have as yet been completed, the areas are fairly well served with this type of road. It is not proposed to discontinue construction on this class of road, but the intention is to give more consideration in the year 1955 to the individual ratepayer. Our object will be to improve those roads which will assure the individual access to the market roads.

Rural electrification has advanced rapidly and a very large portion of the total area is now served.

REPORT OF THE PROVINCIAL PLANNING ADVISORY BOARD

The fiscal year ending March 31st, 1955 was an unusually active one for the Provincial Planning Advisory Board and the Town and Rural Planning Branch. Much of the increase in work, with consequent necessary staff enlargements, was due to the establishment and growth of the new townsite of Drayton Valley, as well as to the proposed establishment of a pulp mill at Edson.

The year saw Drayton Valley grow in population to approximately 2,000 persons. Buildings were commenced or completed to a total permit value of \$1,057,350.00, of which \$480,300.00 was commercial construction and \$290,400.00 was industrial construction. Residential and miscellaneous construction accounted for the remainder. In addition, a considerable number of permits were issued elsewhere in the improvement district. By the end of the year it had been found necessary to provide for a subsidiary townsite some 25 miles southwest of Drayton Valley, following the extension of the Pembina oil field in that direction.

Planning studies were completed at Edson in anticipation of its rapid growth as a result of the proposed establishment of a pulp mill there. The subsequent decision of the pulp company to locate at Hinton instead of Edson has, however, not meant the complete abandonment of the plans prepared for Edson. They will be used, with some modification, to guide the more normal growth and development of that town.

In addition, planning studies were completed and a report published for the Town of Rimbey. This report has received wide recognition by planning authorities throughout the continent, and there has been a considerable demand for copies from libraries and planning schools in many parts of the world.

Planning surveys were completed at Camrose, and a zoning by-law was brought into effect in that city to implement the major proposals made. Preliminary planning studies were completed for Rocky Mountain House, and special projects were undertaken for Peace River, Tofield, Wainwright and Lacombe. Preliminary work prior to starting planning studies, in the form of base maps and ground control surveys, was undertaken at Pincher Creek, Okotoks and Wetaskiwin.

There was considerable activity with regard to district planning commissions. A commission was established at Medicine Hat, and arrangements were completed to establish a commission at Lethbridge. The Municipal District of Foothills became a member of the Calgary commission, the Municipal District of Strathcona withdrew from the Edmonton commission, and the Town of Innisfail joined the commission at Red Deer. In addition, the membership and boundaries of the various district planning areas were altered to conform with the changes in municipal organization resulting from the work of the co-terminous boundary commission.

The subdivision regulations were amended to provide for the dedication of a park strip along lake shore subdivisions. The Red Deer District Planning Commission was appointed an approving authority for the purpose of the regulations.

Applications for approval of plans of subdivision submitted to the Board numbered 768, compared with 812 in the previous year. 614 final plans were approved for registration, as compared with 696 the year before; there were 274 transfers submitted, of which 174 were approved and 42 refused, at about the same rate as in the previous year.

In addition to visits made in conducting planning surveys and attending district planning commission meetings, members of staff made 60 visits, compared with 33 the year before, to various municipalities. In addition to inquiries made by personal visit to the Branch offices, over 50 inquiries for advice, and investigations of complaints, were dealt with by correspondence. A total of 23 draft by-laws were prepared in the office and recommended to the Councils concerned, and some special reports were prepared for the Royal Commission on Problems of Metropolitan Development.

Eleven new zoning by-laws were enacted, and eleven amending zoning by-laws were also passed. There were two new Interim Development Orders made, and two new Interim Development By-laws came into effect.

The Board issued a total of 23 orders during the year, all of which dealt with appeals made to the Board under the provisions of Interim development or zoning by-laws of local authorities.

The membership of the Board was changed, with the Hon. E. W. Hinman, Minister of Municipal Affairs, replacing the Hon. C. E. Gerhart, Provincial Treasurer, as member and Chairman of the Board.

In closing this report I would like to pay a brief tribute to my predecessor, Mr. J. W. Judge, who retired on September 30th, 1955, after thirty years' service with the Provincial Government.

Entering the Alberta Civil Service with the Department of Public Works on April 26th, 1925, Mr. Judge transferred to this Department on November 18th, 1929.

Mr. Judge carried out a great deal of the preliminary groundwork and study leading to the enlargement of Municipal Districts in 1942 and the present form of local rural self-government existing in the Province at the present time.

On July 22nd, 1947 he was appointed a One-Man-Commission to inquire into the Provincial-Municipal financial relationship. Commonly known as the "Judge Report", his "Report of the Royal Commission on Taxation" published in 1948 has had much to do in shaping the present Provincial-Municipal structure of taxation and finance.

Appointed Director of Assessments in 1935 and Chairman of The Alberta Assessment Commission in 1938, he was appointed Deputy Minister on March 1st, 1946 upon the retirement of his predecessor, Mr. A. R. Soutter.

Mr. Judge's vast knowledge of the Province and his sound judgment in both Provincial and Municipal matters will be sorely missed by all Provincial and Municipal officials.

Respectfully submitted,

A. W. MORRISON,
Deputy Minister.
